MARY'S MAILBOXXX

Sealed With A Nasty Kiss!

Top of the mornin' to everyone out there in *SWANK*-ville, or whatever time it is where you are! And since *SWANK* is an international publication—sold and jerked off to around the world—somewhere, some place, 24/7—someone is reading *SWANK*! I love it! And so do you! Our sales and subscription numbers are at all-time highs, and they are heading higher! And with that, of course, the mail keeps coming, and coming, and coming and...well...coming! But, I don't stop! Not at all! I just hired three new assistants just to help me go through the mail! However, I still read it all, I promise! So, here's the best of the best for this month, with my two cents thrown in, as usual! Heehee!

20654

Fuck The *What* Out of Them?

Mary, when I talk to all of my dude friends, we are always saying we'd like to "Fuck the shit out of...this girl or that girl." Always the same, "Fuck the shit out of her." So, I was wondering about this from several aspects, but mostly: What the hell do we mean by this? We all drink pretty heavily, and we talk a lot of shit. What's your take on this one, Mary? **Phil D., Tyler, Texas**

MARY: *Hey, Phil! Thanks for writing! Please stay sober long enough to read my response! Heehee! Just kidding! Well, as you well know, there are lots and lots of sexual terms for various sexual acts, some are more hardcore than others. When a guy says "He is going to," or "Has already fucked the shit out of..." someone, he usually means that he has screwed the girl really, really hard, and for a long time. So, repeated pelvic slamming, different positions, making the girl really squeal with pleasure, it's all of that. Personally, I just love "Having the shit" fucked out of me, it's like being thoroughly fucked, so you are completely satisfied—both from the male* and *female perspective. I hope that helps!*

Take it from me, there's always room for one more!

He Wants It In The Butt!

Hi, Mary! I assume you don't get a lot of letters from women readers, but I have an issue with my boyfriend, Ted, that has guided me to the end of my rope, and I am turning to you in desperation. Ted reads ***SWANK***, and over the years we have enjoyed looking at the pictures and reading the articles together. I'd like to think that we have a good sex life. Then, last month, Ted tells me he wants me to put on a strap-on and screw him in the butt! We never did this before, and it never came up in the past! I am afraid my boyfriend is now gay, but he says he is just "curious." I don't know what to do, because I am afraid if I do this, and he likes it, he will dump me for a man! Help me, Mary! **Kathy S., Sandusky, Ohio**

MARY: *Hold your horses, Kathy! You may not need as much help as you think! The whole thing about guys "Going Gay" because they like things stuffed up their butts is really a bit of a stretch, no pun intended! The anus is a sensitive part of a woman's body, and it is just as sensitive in a man's. Yet, because of some of the twisted, sexual ideas and attitudes we have in this world, a girl getting butt-rammed is cool, but a guy? "He must be a homosexual!" Now, he might be a homosexual, if what is going into the butt is a penis, but if it is some kind of inanimate object, and it's a girl that using it on you, what's the big deal? I say, go for it, Kathy! And, as for him liking it so much he does actually turn gay—if that's going to happen, it's going to happen, and if it's not you that turns him gay, it will be the next chick with a strap-on!*

Likes Big Boobs Apparently…

I love to suck on boobs! I love the tits! Big tits! Big tits! Give me those big tits! I love to suck them, and *love* to fuck them. Big tits! Big! **Steve B., New Orleans, Louisiana**

MARY: *Steve, I hear you loud and clear! And for what it's worth, I love 'em as well, but maybe not as much as you! Heehee!*

Linda Lovelace Lives On!

I've always thought that Linda Lovelace was the most famous XXX star of all time because she did that old movie back in the '70s called *Deep Throat*. But, since she did that, I figured she would have done a zillion more movies because she was so popular, but, I can't find any of her other movies. It seems kind of strange, right? **Paul N., Denver, Colorado**

MARY: *Strange but true, Paul! Linda Lovelace hardly made any hardcore movies either before or after the legendary,* Deep Throat *was produced. And yes, you would think that someone who became so wildly popular would have milked mucho dinero for all it was worth. Sadly, Linda did not. Why? Her story is a long, complicated, highly controversial, and deeply tragic one, and many books and articles have been written about her sad life. You can look them up and judge for yourself what really happened to her. However, after* Deep Throat, *Linda was cast in a couple of non-pornos, and then after some difficult personal and professional episodes, left the X-biz, and denounced the adult video industry for years afterwards. She never made another porno, but some years before her death, Lovelace did make a short reappearance in some magazines and movie conventions. Unfortunately, she died in a car accident. Bummer.*

When Will You Fuck Ron Again?

Good day, Mary! Just a thought: Will you be fucking Ron Jeremy again in ***SWANK***? I remember the first time you guys did your thing for the camera, and it was wild. I was Just wondering if a repeat performance is going to happen anytime soon? **Ron J., Paramus, New Jersey**

MARY: *Oh, what a funny little letter I found in my mailbox this month! How cute! My fellow exec-* ***SWANKER*** *you-know-who himself! Ok, "Ron J. in Paramus!" You want an answer from me; you will get an answer from me! I will fuck Ron Jeremy again in the pages of* ***SWANK****, and I will do it…eventually! Heehee! As of now, that's about all I will say about this matter—except to add this little teaser: If you thought our last layout was "wild," wait until you see what I have in mind this time around!*

Some are more hardcore than others!

If Two Cocks Are Good…Where Does The Third Go?

I just want to say right off the bat how much I love ***SWANK***, and all of the great improvements and features you've incorporated into the magazine over the years. I know everyone had their own favorite porn mag, but shit, how anyone could say ***SWANK*** is not the best, is beyond me. Anyways, I thought I would write and ask you this—my friend, Cal, and I seem to get into a lot of two-on-one situations with women, you know—where we double-team a chick. It's never a problem—he goes for her mouth, and I take her ass, or he'll take her pussy then I go for the butt—whatever. Yet, recently, we have had our other friend, Jenks, with us when this shit goes down. So there we are—naked—and well…where does the third cock go? Seriously, we were left in a stupor, so we sent Jenks out for a pizza. But, what do we do next time? Jenks ain't that bright, but he ain't that stupid, either. **Hank C., Fresno, California**

MARY: *Yeah, that's quite a problem you got there, Hank—not! First, thank you so much for your nice comments about* ***SWANK****, this has been the most major commitment I've ever made to any project in all my years in the X-racket, and it's very gratifying to know that it's being noticed. However, freaking out about a third cock and what to do with it? Hank, give me a break! The girl's got a pair of tits, she's got two hands, and she's got ten toes! And if that all fails, one in the butt and one in the pussy—the classic X-rated "DP" position—is always an option, while the third gets a BJ. So, don't sweat it, dude, if your pleasure partner for the night is willing to take two dicks, one more is not going to ruffle any feathers—take it from me, there's always room for one more!*

This Month's Love Ranch Lover...
Janea Jolie!

"You want to fuck me? I want to fuck YOU!"

My story starts off like many other girls'. I really was a college student seeking financial help with tuition, textbooks, food, etc., since college is not cheap and the food is not good! I attended a large university in California, and sadly, the only thing nourishing my body were packaged noodles that I ate daily. I am a Northern California girl who has always been mind-boggled by the thought of sex, and I was 18-years-old when I finally decided to join the world of hardcore.

Before I dove head first into the XXX world, I knew I was good at dance, so I figured the best thing to do was to audition at a strip club to get my feet wet. I never told my family back home in fear of being casted out. Even when they came to visit, I kept my job mum, and hoped my brother wouldn't want to venture to the strip club I worked at while he was bored during a family visit. The thought of my older brother walking into my place of business with my butt-naked self dancing around on a pole, sent chills up my spine and drove me to take a trip miles away from school where I would get my very first stripping job.

I will never forget my first audition. Like any new girl, I was hella nervous! I never danced on a pole before—and I especially never danced naked for men before. I have to say that the thought of my showing off my body to men was sensational! The mere recognition the men gave me turned me on. I was nervous

Men love to see a girl show off her personality on stage!

Whoever You Want Janea Jolie to be,
I Will be—Just don't be afraid to ask!

because I wanted all the men in the room to like me, and I was the only the seventh one up. Most of the girls before me were amazing dancers! If I knew any better, I would've pegged them as professionals. "They are not amateurs" is what I said to myself as I sat there, legs shaking—waiting for my turn. At the time, my stage name was Ebony. As soon as they called my name, I grew so weak and stunned that it felt like I had blacked out. In order to calm my nerves, I had to picture myself dancing at a nightclub, and not in front of various men. When I was finished with my song, I was sweating and tired, relieved that I finally got it over with. And when the judges tallied up the points, I ended up winning first place and got hired on the spot.

Still, I was nervous every time I went on stage. I just didn't know what to expect. Over time, I have improved my dancing, but I still need to learn pole tricks! The girls at my new job told me I should change my name to something other than Ebony, but I didn't have another name in mind. I asked the girls to help me out, so they asked me who my favorite singer was; and after going through several names, which most girls working there had already possessed–I said Aaliyah. Luckily, nobody had that name, and my very first stage name was a posthumous tribute to the angelic singer. Even though I have since changed my professional name, I still get a little nostalgic whenever I hear a tune from my first hardcore namesake.

I was nervous every time I went on stage because I didn't know many pole tricks. I soon learned that working the pole does not a stripper make. Men love to see a girl show-off her personality on stage.

Over time, some off the girls had shown me pole tricks, so now I know a few. Pole dancing is not as easy as some of the girls make it seem. If you make one mistake you can really hurt yourself. I saw a girl sliding down the pole upside down; and she didn't realize how close she was to the ground and fell on her neck! All you heard was a loud BANG!

I have been dancing for about four years now, and to be honest, I still get knock-kneed before I go on stage, but I still love to do it. I feel free and comfortable when I'm naked which is an exhilarating experience. I love the fact that I can turn a man on by dancing around in my birthday suit. Although stage dancing is very arousing, the private lap dancing is the most stimulating feature when it comes to stripping. Also, it is my favorite thing to do. On numerous occasions, I have made a few guys even cum in their pants! Most girls hate when this happens, as it can ruin their stage clothes, but I *love* it! I relish it because it lets me know that in doing my job—and I'm doing it right!

The first time this happened really came as a shock. I was rubbing and caressing a man's bald head, shoulders, and legs. I lightly bit his earlobe and blew softly in his ear, as I kept a firm grip on his hard, throbbing dick. I put my bubble butt in his face, and then I turned around and put my sweet, wet pussy close to his mouth so he could smell my succulent juices. I put my ass back in his grill then slid slowly down his body, grabbing his cock again when I got there. With my knees on the floor, I threw my head back in his lap (my eyes looking up at him) and at that moment, he came! He even creamed right on my shoulder! Even though he had his pants on, it felt like he spurted right through his pants and onto my shoulder. I was shocked, but extremely turned on! I gave him my number, and we hooked up as soon as I got off work. I told some of the girls what happened and they said that that was nasty, which is crazy to me because I enjoyed it.

LOVE RANCH

While dancing in Sacramento, a fellow dancer brought a porno video in where she was the cover girl. I was so intrigued! At this club, we would have porn stars come in and dance every weekend, and I was lucky enough to meet a couple of them. I asked the porn veteran, Penny Flame, how to get into porn, when she feature danced at the club I was working at, and she told me all I needed to do was to get a porn agent. I followed her orders, got an agent, and started doing adult movies almost immediately, and have done about 25 movies thus far. I like to be adventurous sexually, so I'm willing to film all types of movies: Bondage, girl-on-girl, gg/b, bb/g—and any fetish or fantasy you can think of. Some of my best movies are: *Tiny's Black Adventures 5*, *Black Amateurs Swingers Party*, *Black Magic Apple Booty Cuties # 2*, and *So You Think You Can Cock Dance?* What I'm waiting to do next is an orgy of five men, with my being the only girl. I'm now looking to do even more adult movies. They are hella fun to do— not to mention, make.

While doing porn, I discovered that a lot of blue screen stars also work at the legal brothels located in Nevada. I asked my agent about that, and he gave me the number to the Moonlite Bunny Ranch (*www.Bunnyranch.com*). They have a million girls applying every year, so I ended up forwarding my pictures to Marc—the general manager at the Love Ranch (www.LoveRanch.net), which is the sister house to the Bunny Ranch located just down the street, and would you believe that he loved them? Well, he did, and on the drive up to The Ranch, I was hella excited. Another reason why I wanted to be part of the Bunny Ranch family is because they are the most popular brothel amongst all the legal prostitution houses in Nevada. Who wouldn't want to be part of that?

Since I've been working here for quite a while now, I can safely say that love it here. The girls are friendly and down-to-earth—not to mention very welcoming, which I am happy about because usually, if you put a group of girls together in one house, it's nothing but drama. However, that's not the way it is here at the Love Ranch. It's like they are all true girlfriends. As for the guys, men will be men—so sometimes their machismo attitude can be challenging to deal with, but I love them. I love to be creative and fun with every new man I have sex with!

Here, at the Bunny Ranch, it's a new adventure with each new partner. I want to tell any man who wants to party with me to never hold back. I am an open-minded girl who loves to try new things. I am a true pleaser. Tell me what you want, need and/or desire. I will never disrespect you in anyway. I want to make you happy. What I'm saying is, if you want me to suck your dick and put two fingers in your butt—all you have to do is ask. If you want to lick my asshole—tell me. If you want to do a headstand while you fuck me in the ass—just say the word. I do not judge. I am here to cater to you and all the things you desire. I love to be a true girlfriend by kissing you all over your body and massaging you from head to toe. Or, I can be your dominatrix who forces you on your knees to suck my toes. Whoever you want Janea Jolie to be, I will be—just don't be afraid to ask!

I also really truly like women. I have come to realize this while dancing in the strip clubs. I think I secretly worked at go-go bars so I could sit around, admiring the girls while they danced. Every girl is beautiful in her own way. And they're certainly unique in her dance. Just by watching the ladies gyrate so masterfully makes me realize why men love the body of a woman. A woman's body is a true piece of art-work. I love it! I am a hippie girl, and because of that, I love to see the curves in a woman's hips and I absolutely *love* a woman's ass. I could stare at a woman's butt all day! In fact, I'm looking for a new girlfriend right now!

Sex is Janea Jolie. Janea Jolie is sex! I love everything about it. I love to make an impact on peoples lives by using sex. I love to have sex with men or women. Whomever you are, whatever you like—come visit me—Janea—at the Love Ranch today! I will satisfy every need you have and I guarantee you will beg me please, please, please let me have some more! Email me with questions, comments or sexy ideas at: janea-jolie@loveranchxxx.com. Or call the Love Ranch to schedule an appointment today at: 775-246-7077.

It's back to the fashion runways, and no more spreading!

Clit-Licking Diva!

A smokin' hot brunette from Cali, Celeste Star is most known for her pussy-eating prowess and solo-bang skills. Since entering the smut game in 2004, our covergirl has slapped cracks in over 150 hardcore releases in cum-splashing trysts that have earned her a slew of industry accolades including four AVN Award nominations. Celeste can most recently be seen in *Kittens and Their MILF* from 3rd Degree Entertainment.

CELESTE STAR

byMosDonny

I start having these fantasies about getting caught having sex in public!

***SWANK:** You have an amazing, exotic look. What is your ethnic background?*

Celeste: I am Scottish on my mom's side and Hispanic on my dad's side. I'm all mutt. [laughs]

***SWANK:** Some adult stars set out to become porn stars, while others wind up in the business through chance meetings and circumstance. What was your path into the adult biz?*

Celeste: For me, it was totally by chance. It was a matter of being at the right place at the right time and having a good head on my shoulders. I dated a guy in high school that had a cousin who was a so-called agent in the biz. He asked me if I wanted to partake, and I said 'Sure, why not?' Now, it's been six years and I couldn't be happier with the choice I made.

***SWANK:** You've done a lot of outdoor scenes. Do you get a little extra turned on from being naked and slapping nasties in the great outdoors?*

Celeste: Actually, I'd rather be on a soft bed that I can roll around on. But, I do get turned on when we are in the outdoors shooting and I start having these fantasies about getting caught having sex in public.

***SWANK:** You received an AVN Award nomination for "Best Solo Sex Scene" in back-to-back years (2007-2008). What is the secret to being a good on-camera masturbator?*

Celeste: I think the key is to always be open for the camera and not hold back when reaching a climax. The more you enjoy getting yourself off, the more the audience will get into it. I've also had a lot of practice.

***SWANK:** How often do you masturbate off camera and what is your toy of choice?*

Celeste: I masturbate probably three to four times a week, depending on how much I work. But, I can go for an hour or more when I masturbate, so I have to find the time. [laughs] As for my favorite toy to get me off, I have two: There's my glass toy and my vibrator. [I] can't live without my vibrator.

***SWANK:** Do you believe your superb skills at getting yourself off give you an advantage when it comes to making other girls cum?*

Celeste: I think it does help, but really, every girl is different when it comes to getting off. So, I try to watch their reaction when I'm doing my thing, and sometimes ask them what feels best.

***SWANK:** What girls in the industry are on your "wish list" as future co-stars?*

Celeste: I would love to work with Tera Patrick. I'd also love

to take on Jesse Jane again. It's been three or more years since I've tasted her, and I'd love to be able to come back for seconds.

***SWANK:** What is the hottest thing about a woman for you?*

Celeste: I think a woman's back is very sexy. It's so dainty. And of course, the way they smell. I love the sweet smell of a hot girl.

***SWANK:** When you see yourself on screen, do you evaluate your work?*

Celeste: I should probably watch myself so I can fix things, but I just can't do it. I feel so awkward. And even if I look

I'm drawn to bondage fantasy. I also love to be spanked!

I love the sweet smell of a hot girl!

good I pick out every little detail that's bad. So, I refrain from watching anything I'm in.

***SWANK:** You've also done a number of fetish-themed movies. What sort of fetishes and role-play are you most drawn to in your life off the set?*

Celeste: I love bondage fantasy. I also love to be spanked.

***SWANK:** Where can fans find you online and see what you're up to?*

Celeste: My fans can follow me on Twitter. I'm not good yet [since I] just started it, but it's *Twitter.com/MissCelesteStar*.

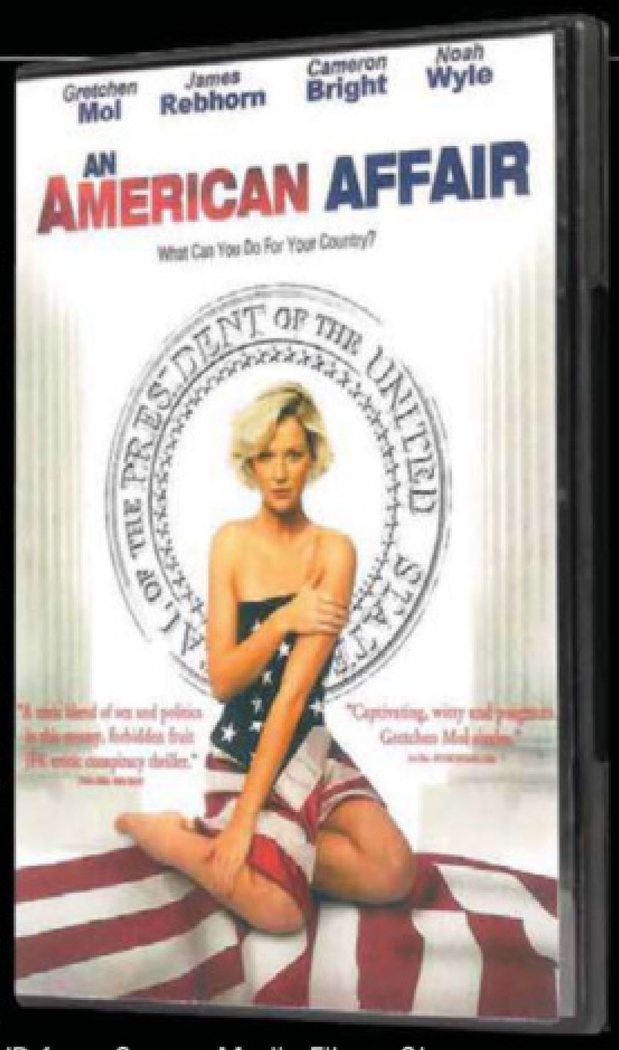
STUFF

SWANK

Reviews & previews
by Neil Wexler

A lot of cool **STUFF** comes through our offices every month and we feel it's our duty to let you in on some this hip swagg. Whether it's the hottest new sex toy to hit the shelves, the coolest book to hit the stands or the wackiest product to be invented, you'll find your first look at it here!

GRETCHEN IS GLORIOUS!



Gretchen Mol is one of today's sexiest actresses. She has a unique beauty that stands out from the crowd of cookie-cutter femmes who populate filmdom; she's like Gloria Grahame—another talented one-of-a-kind stunner popular on screens in the '40s and '50s.

With her performance in *The Notorious Bettie Page* back in 2005, Gretchen did for the pinup model what Marlon Brando did for the role of the Godfather, Don Corleone—she made the part totally hers. Others have played Bettie in various movies like the talented, Paige Richards, but Gretchen really nailed the part of the dark beauty. It's as if Ms. Mol put a voice and soul to all the soundless images that Bettie supplied in her 1950's modeling career. After viewing the biopic, when thinking of Bettie Page, one will think of the natural blonde, Gretchen Mol, too.

Like Bettie, Gretchen is fearless in showing off her body. She's stunning as a half-naked 1920s Atlantic City showgirl in the first season of the HBO series, *Boardwalk Empire*, and she's equally alluring as a 1960's artist and divorcee in the film, *An American Affair*, available on DVD from Screen Media Films. She plays a gal in 1963 Washington D.C. who has a not-so-secret affair with womanizing, President John F. Kennedy. The film touches on the conspiracy theories that surround JFK's subsequent assassination, which is evoked movingly in the film when a bunch of Catholic students return to school after lunch and find the nuns crying over the news reports. I have to admit, however, that what drew me to the movie was the prospect of seeing Gretchen in this sultry role, imparting sensual wisdom to a young admirer after he accidentally spies on her having sex with a married man: "Never be ashamed of being excited." No, ma'am!

Just the sight of Gretchen's beautiful nipples fully erect as she lies down underneath her lover makes renting this movie worthwhile. There's also a nice shot when she's sitting at night near in a window, with her cleavage peeking out through the folds of her robe. In another scene, her admirer visualizes her in the shower as a *Playboy* centerfold of the era. The shots are incredibly sublime! Her erotic, yet maternal smile is a powerful turn-on. This actress is lovely to look at and I shamelessly love to watch her, but she also gives us fans finely nuanced to portrayals of gorgeous, but melancholy women from different periods of history. I still have to catch up with Gretchen in the remake of the classic western *3:10 to Yuma*. I don't understand why the producers didn't prominently put her name on the advertising. I don't give two figs about top-billed Russell Crowe or Christian Bale, but Gretchen Mol as a farmer's wife? I bet she somehow brought her trademark sensuality to that role, too, so that's a must-rent for ye 'ol **STUFF** reviewer.

NETWORK WITH ADMIRERS OF FETISH, PINUPS, AND BURLESQUE!

Sienna Sinclaire is a successful model and the webmistress of *www.siennasinclaire.com*—which is actually two sites: One offering her in glamour and pinup photography—and the other depicting the fetish-oriented aspects of her persona. After all, as someone who's given classes in being a mistress at Los Angeles's, Dom Coms—she knows a few things about fetishes! Sinclair is made for retro-style photography with her big, bright red-lipsticked smile which calls to mind a lot of the models from the '40s and '50s, but she also delivers when she puts on nylon and latex and morphs into a modern mistress mode on her fetish site. Sienna is also a "sex coach" and gives online lessons in how to make your erotic life more rewarding.

Expanding her online presence further, she's now started a social network site called: *http://siennasinclairesocial.com* that will bring together lovers of pinups, burlesque, vintage erotica, and fetish. It's easy to join, as your intrepid **STUFF** reviewer discovered when he gave it a whirl and quickly found himself leaving comments on some of the enticing photos and videos Sienna has in the site's gallery. I've included an example of her pictures from the site. No doubt as other members join, there will be photos of many different models to enjoy, professionals and amateurs alike. There are forums, live chat, contests, space for your own blogs, and there's even a list of places in New York City that have a retro ambiance—from steakhouses to corset shops—and bars to flea markets. All in all, this is a cool concept, so check it out, and tell Miss Sienna that ***SWANK*** sent you!

HORNY IS THE HEAD THAT DESERVES THIS CROWN!

California Exotic Novelties has one of the most extensive collections of toys for women and men, as well as all manner of love dolls and fetish accessories, lotions and lubricants, sensual attire and games for lovers and couples. I'm not sure exactly for whom you'd purchase this, so possibly a hot wife? The kind of gal who is encouraged by her happily cuckolded hubby to screw other dudes? However, certainly the female practitioner of such a lubricious hobby would indeed qualify as the "Queen of Dicks," and if you go to

www.calexotics.com and look in the "Gag Gifts and Party Favors" section, you'll find this playful crown. I like its subtlety; at first glance it just looks like a regular bachelorette party tiara, but then when you get up close, you can see the little phalli adorning the jewels. This indeed might be a fun gag gift from a grateful cuckie to his loving, but insatiable spouse—if she has a sense of humor about her hungers, that is. Just don't give it to a hardened slut with a testy personality! Or, it might be good for a gal who likes to role play being Messalina—the Roman empress who engaged in competitions with prostitutes to see who could drain more customers. However, I'm sure you yourself can think of other potential recipients of this unique crown.

YOU, TOO, CAN PHOTOGRAPH SEXY NUDES

Michael Charles's *Money Shots* is a complete e-book guide to making and selling photographs of naked women, illustrated by many alluring pictures taken by Mr. Charles during his career shooting for magazines and websites. It covers every angle of the profession, from the various genres and markets of nude photography, with plenty of how tos such as: How to deal with models, plan shoots, lighting advice and finding locations. It also candidly addresses, in a refreshingly honest way, how to deal with the temptation to date your models.

Money Shots is written by a professional who—time and again—delivered the images I needed when I myself was the editor of various adult magazines. For example, if I suggested a certain type of angle, I could count on Michael Charles to get it. He's clearly a photographer who knows how to listen—whether it's to models, editors or his own creative soul. And the gist of his book is that good photography is created not by cameras, but by photographers who think clearly about what they want to do, and communicate their ideas to their models while having respect for the models as fellow hard-working professionals.

Michael rightfully points out that young women these days—in contrast to previous generations—have a much more accepting attitude about posing without their clothes. This is an advantage for the aspiring photographer of nudes.

It's fun and informative to read the book simply to go "behind the scenes," but if you follow Michael's advice to get out there and start shooting without delay, and use the book as a kind of "mentor" to which you can refer when specific situations arise, you'll learn how to make the kinds of photographs you like, and hopefully sell them as well. *Money Shots* will help you make it happen if you put in the time and effort to follow Michael's advice. You don't need a lot of money to start shooting models; you just need to make the commitment and put the process in motion! Even a simple digital camera will do, if you have the passion and creativity.

When you order *Money Shots*, you also get very useful bonus materials such as brief audio lessons that go over some of the book's major points, and a MP4 video wherein Michael discusses various photos and how he did them. There is also a very impressive Quick Start guide that has a truly fantastic list of resources from model agencies, web and magazine markets, to adult industry sites—all useful to photographers or just fans of beautiful pictures.

So, if you're interested in glamour, figure, or erotic photography in the age of digital imagery, you'll find *Money Shots* not just an enjoyable and useful e-book written in a brisk, conversational style, but with its plethora of bonuses, this book makes for a really amazing bargain. Go to *http://moneyshotsbook.com* and tell Michael that **SWANK** sent ya!

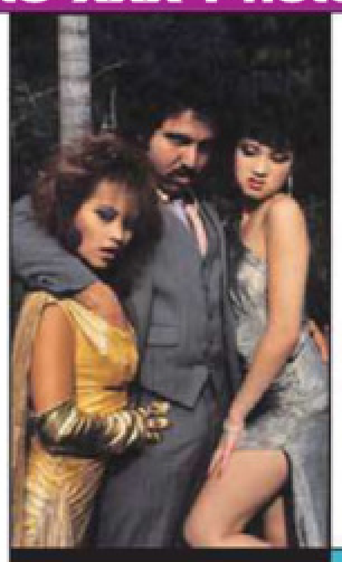
XXX REALITY CHECK

Ron's Favorite XXX Photog Revealed!

Greetings, my *SWANK* legions from near and far! How has everyone been since we last co-joined last month? Busy and frisky, I sure hope! I have been up to my usual bag of tricks, traveling some, sexing some, making public appearances, a few X-flicks, lots of parties...you know the drill by now! On your end, getting laid and paid should be at the top of your personal and professional agendas. In this economy, everyone has to stay on top of their shit to pay their bills until things pick up. However, regardless, getting laid is surely a great way to pass the time until the finances pick up! I've read that in periods of economic stress, people tend to go to more movies and eat at fast-food restaurants more often, as a distraction from their money troubles. In that case, I suggest you fuck more as well—which is even cheaper than a film, much less a burger from the dollar menu! Just a thought! And now to my other thought which brings me to this month's column topic.



At one point, he and I were both doing the same adult actress at the same time—Linda Shaw!

"I Like To 'Shoot'—But Lance Kincaid Has Shot Them All!"

Text by Ron Jeremy
Photos Courtesy of Lance Kincaid
www.pinup4u.com

You know, once I leave my house in the morning, you know everything that I'm doing since I'm being photographed by some lensman or another each day. The paparazzi follow me everywhere. I go: Studios, the street, the movie theater, fast-food restaurants! Haha! I am interviewed and filmed by journalists from around the world daily, and I appear in all kinds of magazine, newspaper and Internet photo-layouts. It never ends! Thousands of professional shutterbugs must have photographed me over the 20 plus years I've been in the jizz biz, and have run the gamut of very good—not to mention very bad experiences. Some photogs are nice, some are rude, some take beautiful pictures, while some pictures downright suck. Some take photos that make me look really young and handsome, while others seem to be trying to add pounds to my waist (and I need that like I need a hole in the head!). So, the other day, I was walking down Hollywood Boulevard, heading over to a professional photo studio to have some hardcore shots done by a journalist in France, while simultaneously being shot by the sneaky paps—and I was thinking of what photographer I've been photographed by over the years that I liked best. I wasn't even thinking of only talent, but also the most professional approach, and all-around pleasure to be recorded by. It only took an instant for the name to flash into my mind—Lance Kincaid.

Lance who, you might say? Therein lies a tale, my friends, about the Legendary, but super-low profile, Lance Kincaid—my favorite XXX photog of all time—now let me tell you why: Lance, who is based in Los Angeles—not far from me—got his start in the adult entertainment industry in 1964 as a photographer nearly as early in life as possible—about 19 years-old or so.

Then, he joined the military and became a decorated war veteran, until he came back from the service in 1967, which is when he starting shooting naked babes for the famous, "Bernard of Hollywood." That adds up now to over 46 straight years as a hardcore, softcore and pinup photog—who has excelled worldwide as everything–from an ace porno paparazzi—to a renowned glamour studio shooter—and everything in-between.

46 years? That's damn near half a fuckin' century! And in that time, zillions of Lance's photos, layouts and pics-spreads have appeared in every adult magazine, website, and porno book on the planet. However, unlike many pro-lensmen, Lance has always done his work on the down low. He never made a pest of himself, or hassled the girls he shot, and was always so classy and polite to everyone, that while he's never attained the public "name" and image that some other XXX shooters have garnered, the untold numbers of publications he's worked for—such as the insiders "In the know"— have respected him like no other. And so have I! Not only is Lance a great guy, but a top-notch photo-artist to boot!

I first met Lance within the very first week I was in the porno biz back in 1978 at the offices of Jim South, who heads up the World Modeling Agency in Sherman Oaks, California. South, after all these years, still remains as the leading X-talent agency around in the adult entertainment industry. Back in the day, Lance—and other porn shooters—would hang out in South's office daily, waiting for new adult industry talent to walk in, sign them up, and shoot them for the porn magazines. I was there trying to get my first blue film gigs as well. I was carrying along my notebook filled with info that I would collect on everyone I would meet, not to mention my portfolio of Kung Fu pictures, my doing martial arts—yes, for those that don't believe, I used

Lance Kincaid is famous as well for his shots of the late great porn actress, Shauna Grant.

to do that, and I still do when I can! Anyway, I met Lance there at South's office and we soon exchanged info as he looked at my pics and said he would call me to shoot some layouts. Shortly thereafter, he did call and then over the years, I worked for Lance hundreds of times as male talent, on location, on the sets of XXX movies—and then when I did public photo-ops and events—Lance would often be there shooting among the paparazzi.

And you know what? Over all those decades, Lance never took a cheap shot of me—like, when I was stuffing my mouth with food or taking a leak! He always gave me time to get myself looking the best, and no matter what, he always made whomever I was working with—including myself—feel completely comfortable with the situation. He never rushed me, never short-changed—and he never even canceled a shoot! That, my friends, is what Lance was always known for: Being professional, reliable, and totally cool. And his pics were great! Here's some of his stuff to prove it from the good ol' days! Check out some of these sexual superstars that Lance shot of me that are printed on these pages from the '70s, '80s and beyond! Carenna Collins, Kimi Gee, The Twin Towers (that big, heavy Afro-chick), Regine Bardot, Nikki Charm, Buffy Davis and the like! Wow! This brings back the Memories—and mammories, doesn't it?

Lance and I became pals over the years, and at one point, he and I were both doing the same adult actress at the same time—Linda Shaw! How funny! But hey, it's porn—the more the merrier! He got on odd days, and I got her on even ones! Over time, Lance became known for some of his best shooting in a couple of X-rated niches, including pregnant women, older chicks, and big-titters—and thousands of his offbeat layouts could be seen every month in fetishy type of rags.

XXX REALITY CHECK

And if you really want to go back in XXX time, the name Lance Kincaid is as well famous for his shots of the late great porn actress, Shauna Grant. After everyone had forgotten about them, Lance came across a cache of long-lost black & white photographic negatives, contact sheets, and photos that he had taken of Shauna (real name: Colleen Applegate)—one of the most famous and controversial XXX stars of all-time who committed suicide in 1984. Lance thought his "To-be-destroyed" box was missing, however, it was recovered while Grant was renovating his property in L.A. but luckily, it was found and pictures Grant were found a few years back. The photos were taken shortly before her tragic death, just before her 21st birthday, as Grant sought to make a transition out of porn into "straight modeling." All of the negatives and photos from the photo session at Kincaid's then-Tarzana, California studio, were believed to have been lost in the chaos that followed Shauna's death. Apparently, at some point, someone shipped the materials back to Kincaid's busy Los Angeles office where it was tossed, and un-opened into a crowded storage space, and forgotten about (and further buried under boxes after the 1994 California earthquake)—until he tripped over them one day. Now, those pictures, and many, many others of Lance's works, can be purchased on Lance's site, *www.pinup4u.com*—a one-of-a-kind auction website offering for sale the hundreds of thousands of photographs, negatives, and contact sheets he has taken since the '60s of thousands of porn stars, models and strippers from all over the world—known as "The Kincaid Collection." The shots range from X-rated to cheesecake-type pics—running the range from the most famous erotic entertainers of the past half-century, to many never-before-seen 'amateurs' who shot with Kincaid once, and never again.

This brings back the mam-mories, doesn't it?

Yet, you know what's even better? You can even write Lance Kincaid directly at *pinup4u@yahoo.com*, and ask him about what types of photos you are interested in, what he has available that's not on the site, or just shoot the shit about the olden days of XXX. Lance will write back, and rap with you about whatever is on your mind, and that's why Lance is my number one photo-pal of all time. He talks the talk, walks the walk, and takes the pics—with no bullshit in between. What more can you ask for? Enjoy these special photos Lance has agreed to share with ***SWANK***! And....see you next month, right here, and right on!

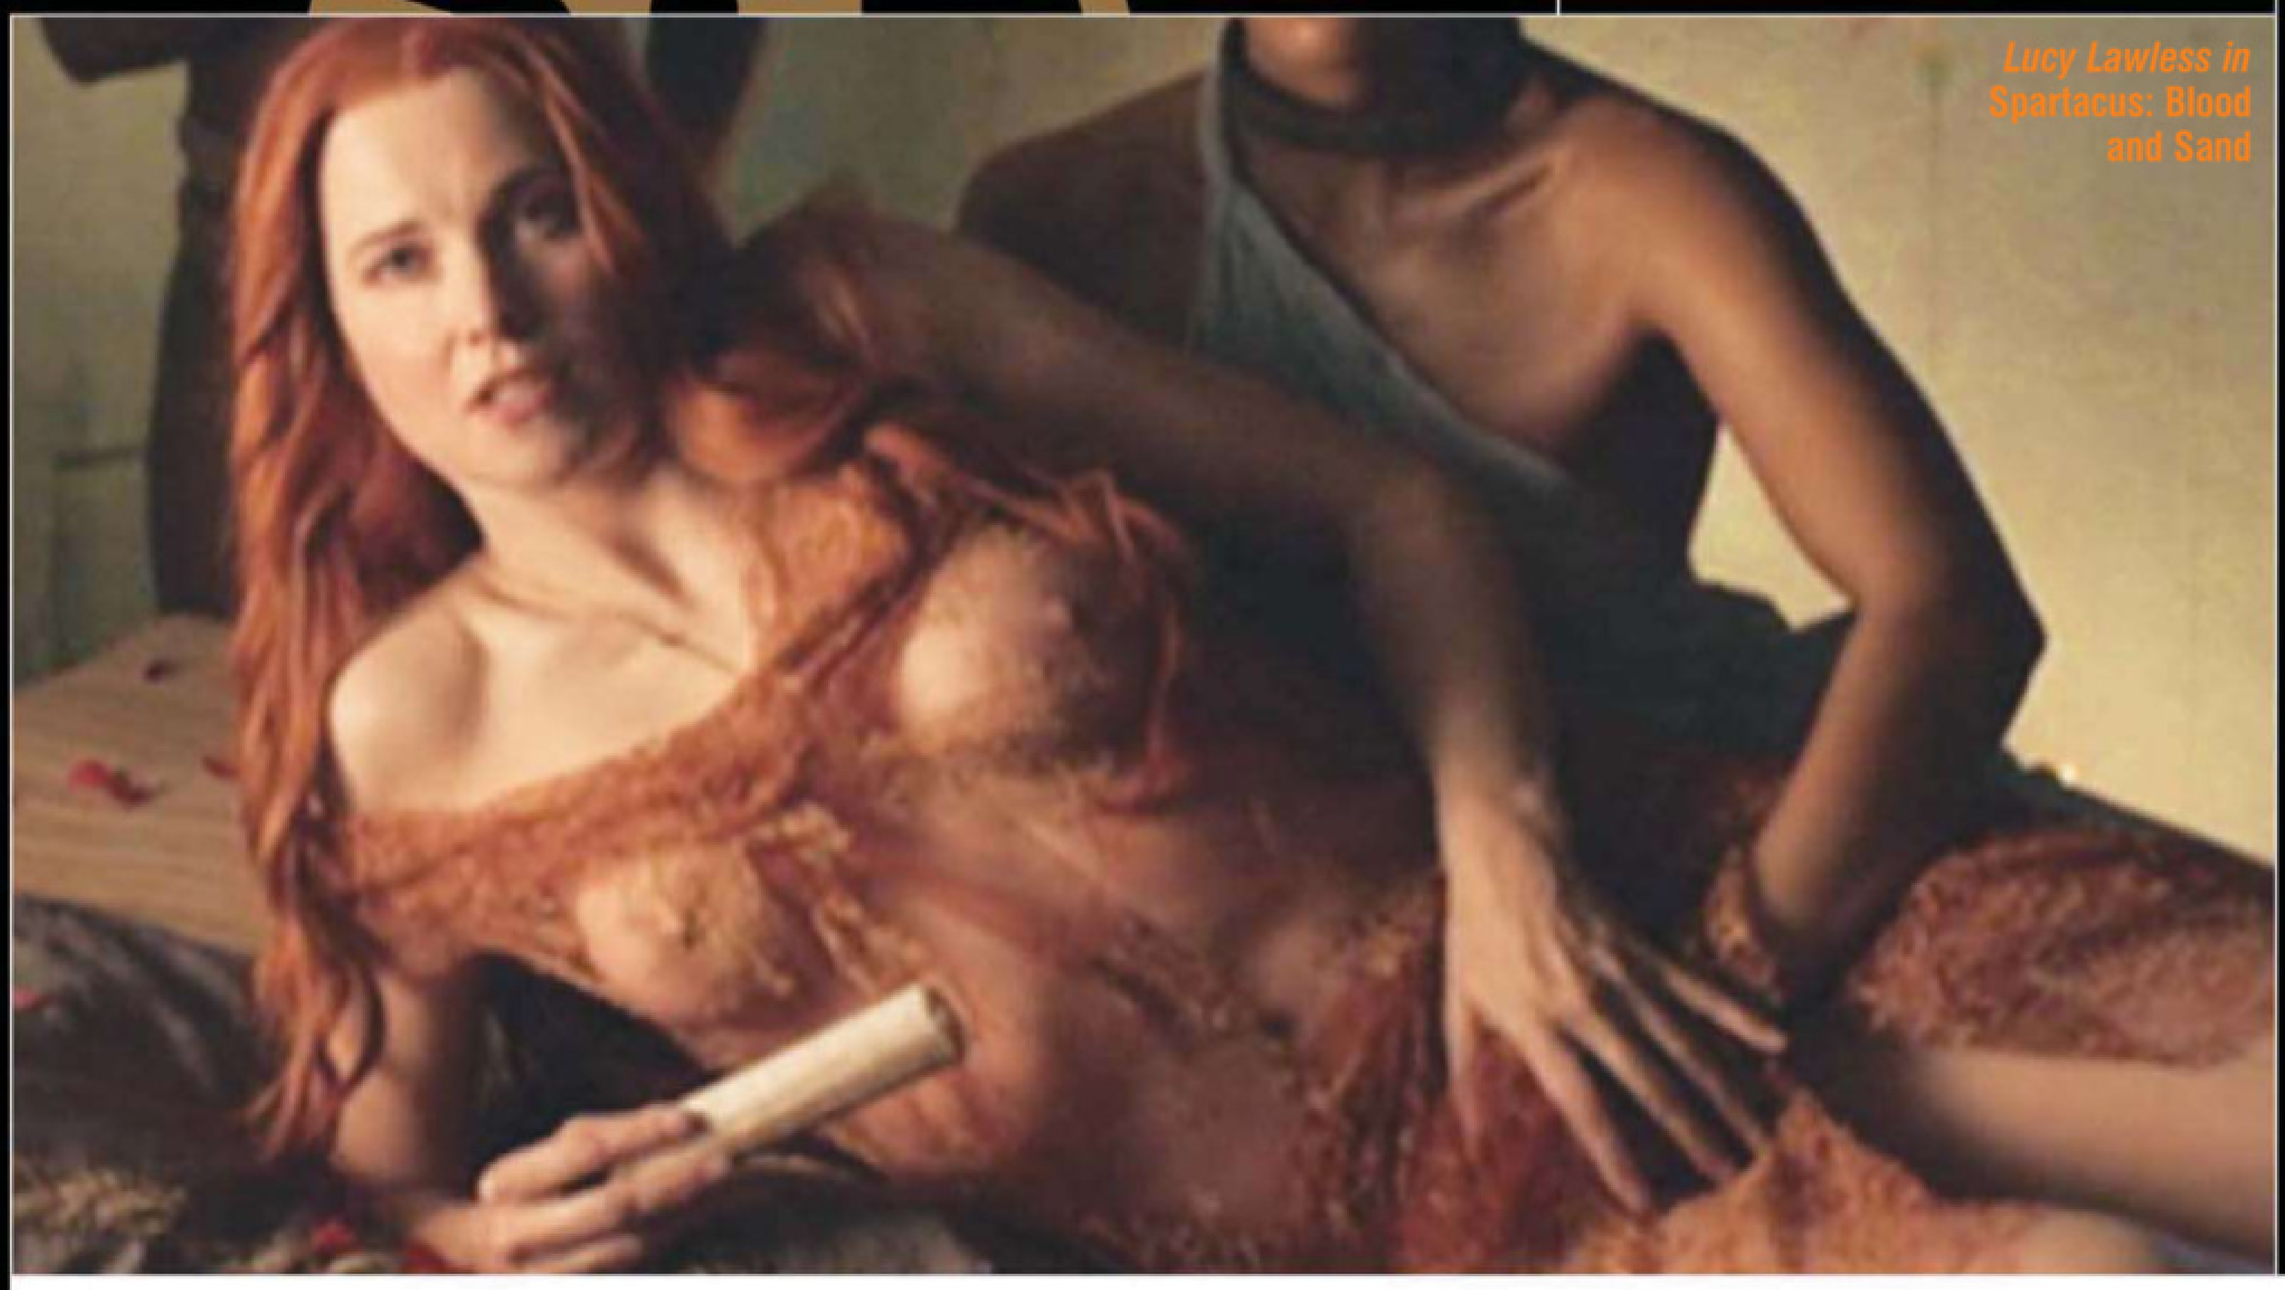
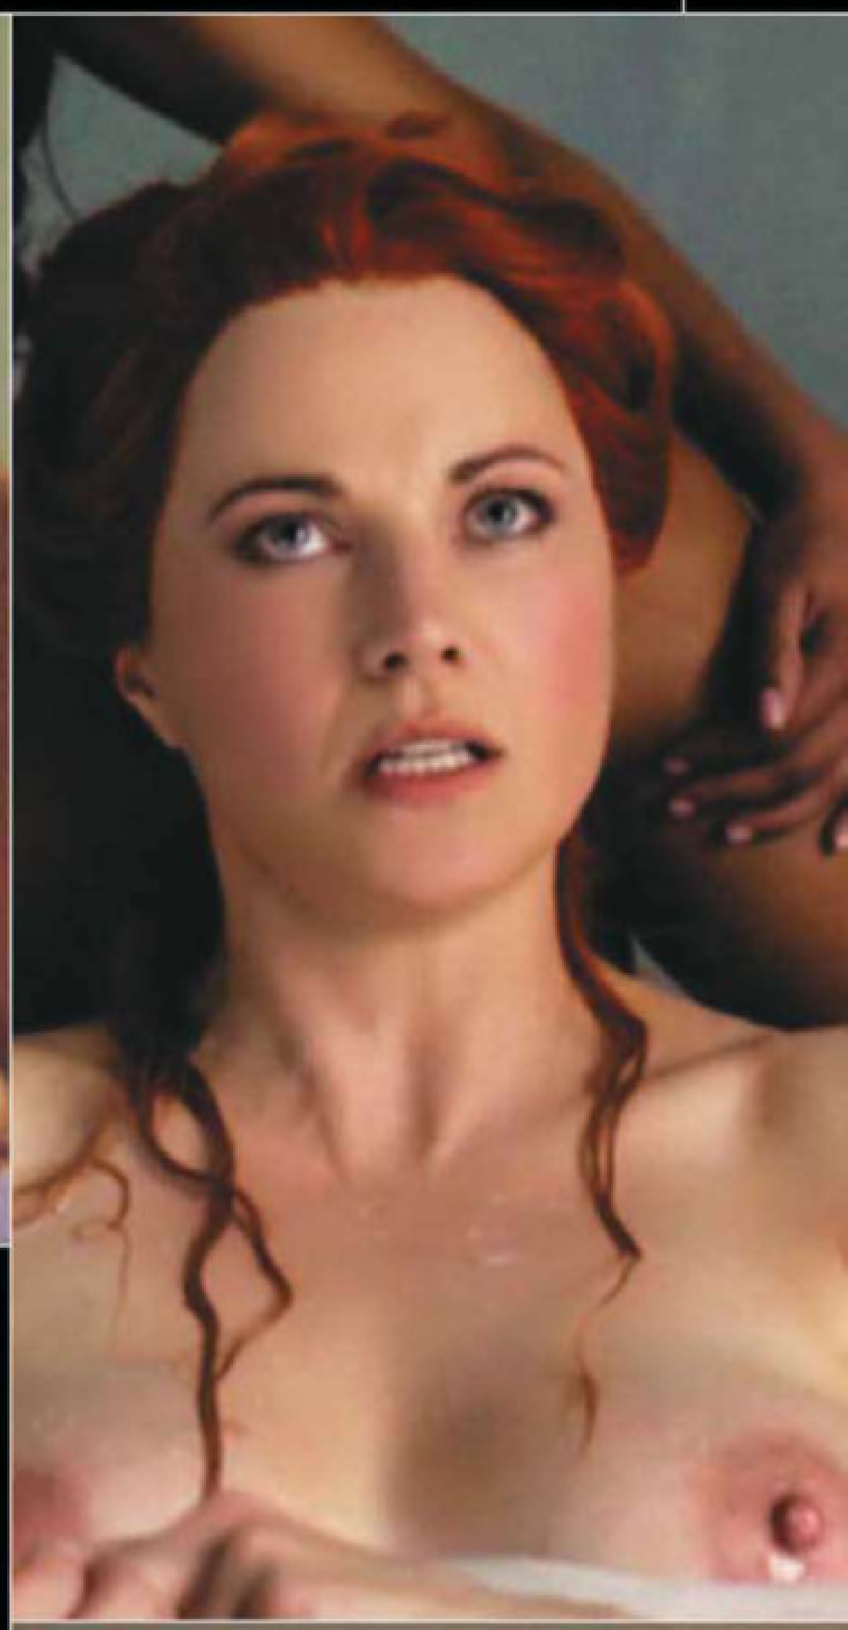
Lucy Lawless

Born Lucille Ryan in Auckland, New Zealand, Lucy Lawless will forever be remembered for making lesbians' panties wet—and men bulge in their jeans to her ass-kickin' antics as the hottie of yore—Xena. Since her initial rise to fame, the woman—who was once named among the "50 Most Beautiful People in the World" by *People Magazine,* has made appearances on the small screen on hit shows like "Curb Your Enthusiasm," "The Simpsons" and the reality competition show, "Celebrity Duets." Lawless's big screen credits include appearances in *Spider-Man* (2002) and *Boogeyman* (2005).

Though Lucy is yet to recapture the fame of her days as the Warrior Princess, her career has received a couple of major bumps through the years in stories pertaining to her illustrious D-cup rack. The first



Lucy Lawless in Spartacus: Blood and Sand



was in 1997 when Lawless—who is a classically trained opera singer—accidentally revealed her cans to the masses while singing the National Anthem at an NHL hockey game.

The more recent buzz surrounding her momentous mams came when Lucy was cast by "Xena" producers, Sam Raimi and Rob Tapert, to star in the cable mini-series, *Spartacus: Blood and Sand.* (2010) The series, which originally appeared on the cable network, Starz—is a virtual softcore porn parade of tits, ass and bush. Lucy's sweet jugs with stopwatch-sized nipples can be viewed in countless scenes including a few simulated sex romps (one where she takes cock with the help of holding her ankles by her ears) in a number of the show's major stroke-worthy episodes.

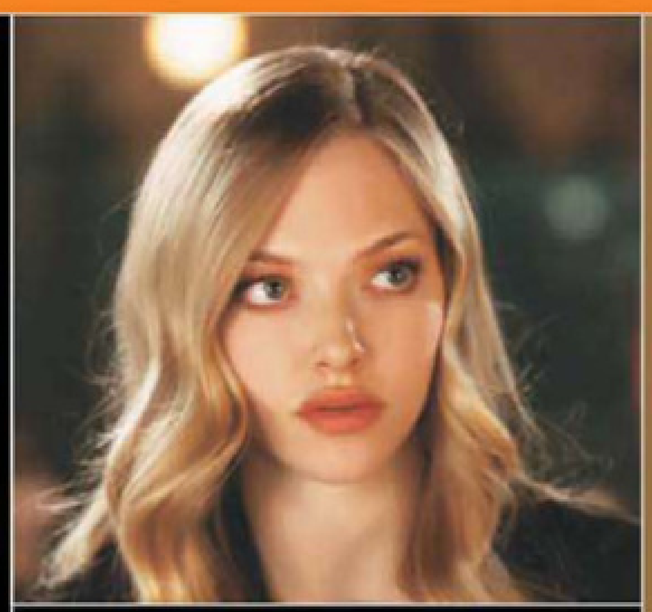
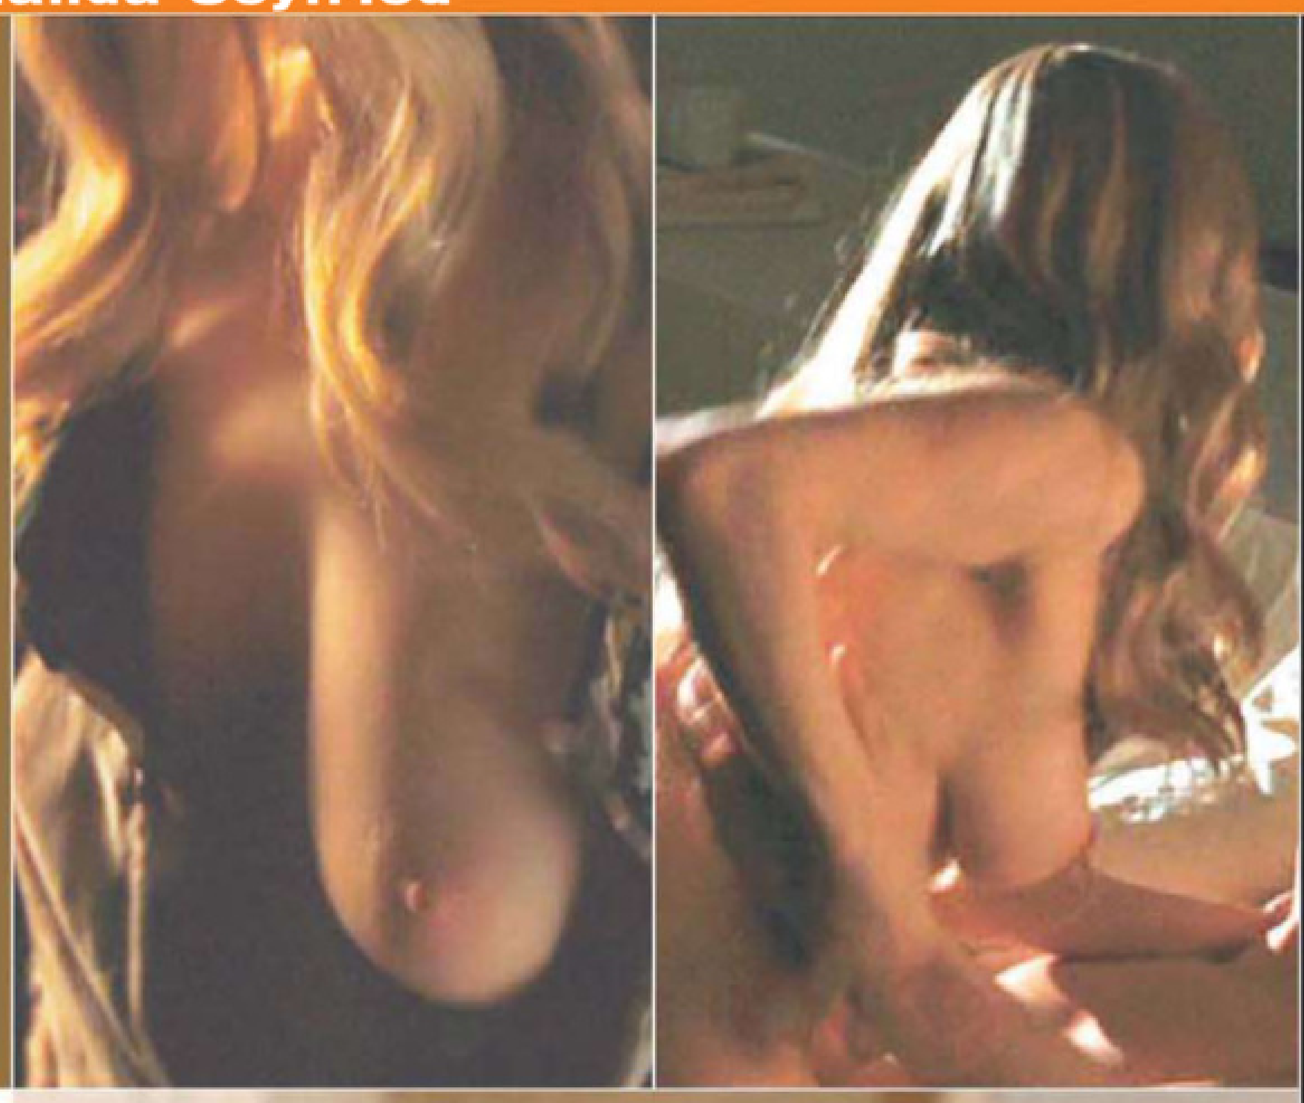
Amanda Seyfried





This bodacious honey from Allentown, PA, broke into the world of acting as a soap opera star on daytime dramas such as "All My Children" and "As The World Turns." In 2004, Amanda took her first steps to stardom by landing the role of the air-head, Karen Smith in the box office teen hit, *Mean Girls*. In 2006, the blonde babe—whom *Glamour* magazine ranked in the third spot in their "50 Most Glamorous Women of 2010" list—starred alongside Justin Timberlake in the big screen hit, *Alpha Dog*. (2006) That same year, she scored a major role on Showtime's series "Big Love," playing the eldest sister in a polygamous family. The height of Amanda's career, however, came in 2008 when she starred in the film adaptation of the worldwide hit play, *Mamma Mia!* The musical also shined a spotlight on Amanda's singing prowess as she performed five songs in the movie's soundtrack. Unfortunately, her follow-up film to *Mamma Mia!*—*Jennifer's Body* (2009)—proved to be box office poison, even though she shared the silver screen with sex siren, Megan Fox.

Amanda's more recent roles found her starring as the leading lady in the 2010 romantic flicks, *Dear John* and *Letters To Juliet*. That same year, however, Hollywood skin perverts got their first chance to polish their poles to Amanda Seyfried's celebrated bazooms. Talk of Amanda's picture perfect melons being revealed for the camera ran rampant online months before the release of *Chloe*, and the scenes featuring the naked tits and ass of this green-eyed blonde more than live up to the hype.

Elle Macpherson

Today, Elle Macpherson is the host (and executive producer) of the U.K. reality show, "Britain's Next Top Model." However, those whose stroking days go back to the era of hair bands and Pac-Man remember this Australian wood-raiser as a supermodel whose appearances as a *Sports Illustrated* swimsuit issue cover model were a major cause of an epidemic of cum-stained sheets during the Reagan years. Her screen work runs from the 1990's to the present day, and includes roles in: *Batman And Robin* (1997), *Jane Eyre* (1996) and *The Edge* (1997). Elle also had a recurring role on the "Must Watch" NBC hit, "Friends" and as late as 2009 could be seen in the CW television drama, "The Beautiful Life."

A quick Internet search for nude pics of Elle will score you a fair amount of topless candids and hot glam shots from a *Playboy* spread. On the other hand, if your cock aches for the chance to be cranked to some sweet action shots of Elle on screen, you can't do any better than getting your sticky fingers on a copy of *Sirens* (1993).

Here you'll find long, clear looks at Elle's full bra-busters as well as her lickable ass, along with several sweltering captures of her bushy peach that leave absolutely nothing to the imagination.

Take care, and keep on strokin' to the movies!

If your cock aches for Elle, you can't do any better than getting your sticky fingers on a copy of *Sirens*

Stoya & Tony De Sergio

This release marks the return of Digital Playground superstar, Stoya, to the adult game, and the pale hottie with the full, dark bush jumps right into the action—swallowing her co-star's sword as he holds her hair back so we can have a full view of the nasty face fucking. Ever the accommodating fuck partner, Stoya eagerly submits to the filthy needs of her man and flashes a Cheshire Cat smile as the goo is spanked onto her muff.

Next, it's Sasha Grey's turn to bow down to the lap dragon. She deep throats the large pole and applies a gentle caress to his nuts with her fingertips. Sasha takes the beef in her slit in the reverse cowgirl manner, and after being polled in various other poses, she allows him to finish in her young mouth.

For her second go 'round, Stoya gets a ball bag dipped in her mouth, then bends forward to take the cock from her blind side. Stoya's oral prowess steals the spotlight in this scene, and she closes the deal by letting the freshly spouted cum load spill out of her mouth and dribble down her chin.

Nicole Ray is the only blonde in the cast, and she sets out to perpetuate the adage about "Having more fun" by maintaining a shit-eating grin while getting blasted by a full-length of uncut pecker.

Stoya's third trip to the cock well is the last of the movie. Again, she proves that she is an elite figure in XXX by taking another hardcore dicking, and accepting a second helping of spunk on her pube patch.–*Girth Brooks*

I come from the school of "Less is more is for pussies"—especially when it comes to pulling my pud to sexy hump fiends doing their thing for the camera. Hence, Bluebird gets a big thumbs-up from me for assembling one of the largest collections of adult stars for a single project in the history of smut.

Nicholas Steele went through a lot of trouble to recreate the 1930's America look for the movie, and putting these porn starlets in "flapper" garb adds a fetish aspect to the proceedings and injects extra intensity to the stroking experience.

Natasha Marley—as Bonny—is hot as a tin roof in the Texas summer and the site of her waxing the meatpole with her sweet mouth and pussy lips is the closest thing there is to heaven on earth.

When I initially saw the cast list, I wondered how the hell they were going to fit all of these whores into one flick (albeit an over four-hour flick). Steele's solution was to throw a whack of girls into almost every scene and let the movie play out like a series of frenzy fucks that place these mega-stars along side each other while cocks come at them from all directions. A number of scenes even conjure up memories of the 1979 release of *Caligula*, as our eyes are treated to a cacophony of slamming genitals, faces, asses—and tits—dripping with semen ooze.

Bluebird Films deserves a fuck load of credit for pulling this off, and it will be interesting to see if the movie gets its dues when awards time rolls around.–*Lars Oneal*

call attention to her huge tits by having a flat, tight belly, and the fact that she is extremely petite in stature doesn't hinder her ability to fit an extra large sword in her snatch one bit.

Brazzers ever throws in a bonus scene featuring big tit queen Carmella Bing wrapping her bra-busting assets around her assistant's rolling pin in a boiling kitchen bang.– *Roy Addison*

Army Sgt., Phoenix Marie, puts a new recruit through a physically strenuous workout that includes sucking her big, hard nipples and invading her patriotic pussy with his heat-seeking missile. The friendly fire fuckfest features a number of hot positions, each of which puts Phoenix's DD-bombs on the front line.

Jessica's bodacious rack is accentuated by her German waitress attire. She goes the extra mile to please the customer by letting him push his cock between her manmade mams then fuck her doggie style on the table. Jessica's patron satisfies his appetite for pussy by laying a healthy dicking on her wet clam, then the platinum blonde gets her just desserts when a gooey wad of spunk is cranked onto her socker-boppers.

Filthy tattooed whore, Madison Monroe is a hotel bellhop whose tip for seeing a guest into his room happens to be located at the end of his swollen johnson. Madison's milkers fly as the beanstalk glides through her tattooed pussy lips and the cum shot strikes her square in the face as the excess dribbles down to her knockers.

Heather Summers & Jordan Ash

Sawing down trees in the great outdoors leads to Allison pulling the wood from her coworker's jeans and wetting the shaft in spit before taking a thunderous tit fucking.

There is cunt pounding in this scene, but much of the sex takes place between Allison's boulders and the action ends with said sacks being soaked in ball sauce.

Officer, Audrey Bitoni, has a reputation for always getting her man, and here she tracks down a perp who can't help but surrender to her arresting ginormous gazongas. Audrey helps

TAKING THE PLUNGE!

Try These Four Anal Sex Positions At Home!

1 DOGGIE ANGLE

When she puts her ass up in the air—and her head—or head and shoulders down—her body is angled perfectly for him to stimulate her G-Spot. This can be more comfortable for some women than being on all fours.

Giving It Good

- Reach your hand around her to stimulate her clit.
- Grab her hips and pull her back onto your penis.
- Squeeze her ass and admire the view.
- If you and your partner like your sex on the wild side, Doggie Style is perfect for light spanking and a little hair pulling.
- Lean forward onto her for skin-to-skin contact and kissing.

Getting It Good

- Reach back and help guide him inside your ass.
- Take the lead in initial penetration and come back on his penis. Start slowly and wiggle onto him, giving you control of the speed and depth
- Use a vibrator to stimulate your clitoris. Any size vibrator works in this position.
- Slip a dildo inside your vagina for double penetration.
- If it's uncomfortabe for you to lean on the palms of your hands or if you have bad wrists, try putting the weight on your forearms instead.

DOGGIE STYLE DO'S AND DON'TS

Yes, it's a very popular and versatile postion, but that doesn't mean you can't teach an old dog new tricks. Here are some reminders and tips for getting the most out of Doggie Style.

- Do finger her anus during vaginal intercourse in Doggie Style.
- Don't try to "sneak" from the vagina to the ass.
- Do warm up her butt with a spanking before penetration.
- Don't go too hard too quickly. Remember, this position allows for very deep penetration and strong thrusts.
- Do encourage her to rub her clitoris in this position.
- Don't switch from ass to vagina.

2 FLYING DOGGIE

In Flying Doggie, she kneels on all fours on the bed and he stands (rather than kneels) behind her. She puts her legs together and his legs are on either side as he enters her from slightly above.

PROS

Flying Doggie has all the pros of Doggie Style. He gets a wonderful visual of her ass and full penetration, as well as easy access to squeeze or spank her butt. He can put his full weight behind his movements, making it a good position for the strongest thrusting and deepest penetration. The main difference is that Flying Doggie creates a different angle of penetration; he comes from slightly above her. Because the angle provides downward insertion, it's a fantastic position for indirect G-Spot stimulation. Men who don't find they have enough leverage or feel too much strain on their knees in traditional Doggie Style should try Flying Doggie.

CONS

As in Doggie Style, Flying Doggie has the partners face the same direction, so there is no eye contact; verbal communication—or reading subtle cues and body language—which can be more difficult. Some women may feel too passive in this position since he takes the load. Women who are nervous about being penetrated too deeply or who don't want a hard pounding should probably avoid this one. Men with limited strength or mobility won't find this position easy.

3 STALLION

In Stallion, she stands with her legs apart, then bends forward at the waist and leans on the bed (or another piece of furniture) and he stands behind her. Stallion has all the benefits of Doggie Style with more power because he has full leverage with his hips and legs. For some couples, this may simply work better than Flying Doggie because of their sizes and heights. If she feels too much strain on her knees in other Doggie positions, this is an option for her. If he can position his hips slightly higher than hers, he can stimulate her G-Spot indirectly when he penetrates her.

Giving It Good

- Place a mirror in front of you so you can both watch the action.
- Run an ice cube down her back to tease her before penetration.
- Blindfold her to give her a feeling of total surrender.
- If she likes being restrained, take her arms behind her back and hold them together at the wrists as you enter her.

Getting It Good

- Use a pillow under your torso to make this position more comfortable or change the height of your body slightly.
- Don't be afraid to look back and watch your partner as he thrusts into you; the image can be a real turn on.
- Try putting your head or both your head and shoulders down; it will change the angle of penetration.
- In Stallion, you've got more leverage than in other Doggie positions; use it to your advantage and take charge of the trusting by moving back on his penis.
- Position a large vibrator with a lot of surface area—the Cone or the Tuvo—underneath you (or at the edge of the bed in Stallion). Each time he thrusts into you, your clitoris will press into the vibrator.

4 WHEELBARROW

To get into Wheelbarrow position, partners should begin in Standing Doggie position—with the woman on the bed on all fours and the man entering her from behind. He then picks her up and she kicks her legs straight out behind her so that only her lower half remains on the bed, as she uses her hands to brace and balance herself.

PROS

Wheelbarrow combines the qualities of a rear-entry position—a great view for him, indirect G-Spot stimulation for her, and deep thrusting for both of them—with those of a standing position—novelty, adventure and surprise. It's also a good choice for couples where she is much smaller than he is. As in other standing positions, in Wheelbarrow, men can channel and showcase their strength and dominance and women can revel in those attributes.

CONS

Both partners need a great deal of strength, flexibility, and stamina to get into—and maintain—this position. You will expend lots of energy on the position itself, so chances are there will not be much left—or many free hands—to do anything else (including stimulate her clitoris). Since they must support the weight of their partner, men have less thrusting power in this position than they do in the traditional Doggie Style.

THOS

From a cold and rainy afternoon in Hollywood—to an unnerving trip on a couple of Los Angeles's busier freeways—the behind the scenes activities before the making of *The Master and Ms. Johnson* wound up being far more memorable than the film itself...

"Going Way Behind The Scenes"

I get cozy with Jennifer West on the set of *A Little More Than Love*

However, I must admit that when I finally did get to play out my role as Sammy Marlaid to the best of my Humphrey Bogart-imitating ability—I shocked everyone by delivering a perfect one-take rendering of well over three pages of nonsensical dialogue.

It was January 1980. My working relationship with a writer/director, Pierre Balakoff, had begun back in 1975 when I appeared in his *Hollywood She-Wolves*, and had extended through such ambitious X-ers as: *Paul, Lisa and Caroline*, *The Psychiatrist, Two Sisters* (which was also known as *One Page of Love*) and *A Little More Than Love*. And after *The Master and Ms. Johnson*, I would go on to appear in such Balakoff epics as: *Ring of Desire*, *Little Girls Lost* and *Stephanie's Lust Story*.

In some of his productions, I was only brought in to deliver dialogue, while in other creations; I was given roles that also called upon me to perform various sexual acts. Pierre was a rather full-of-himself Hollywood type who had been a bit player in the real cinematic world before turning his talents toward the raw sinematic realm, which included appearing in some sex scenes, when his role called for him to rise to the occasion. He was also a genuinely accomplished acting teacher, and had a serene guruesque way about him (slightly pretentious, but not overly portentous) that tended to attract a bevy of remarkably attractive women to his films, who most likely would have never, ever entertained the notion of performing hardcore sex, if they hadn't been essentially mind-fucked by him.

Therefore, the first (and—in many cases—the only) time some of Balakoff's ladies took off their clothes and performed sex in front of the camera was in one of his films. And since he knew that I never, ever took longer than necessary to get my sex scenes over with—he invariably entrusted his discoveries to work with me before anyone else penetrated their careers.

However, with an enormous cast of characters needed for *The Master and Ms. Johnson*, Pierre was forced to reach out beyond his faithful collection of acting students, and into the

E were the LAYS

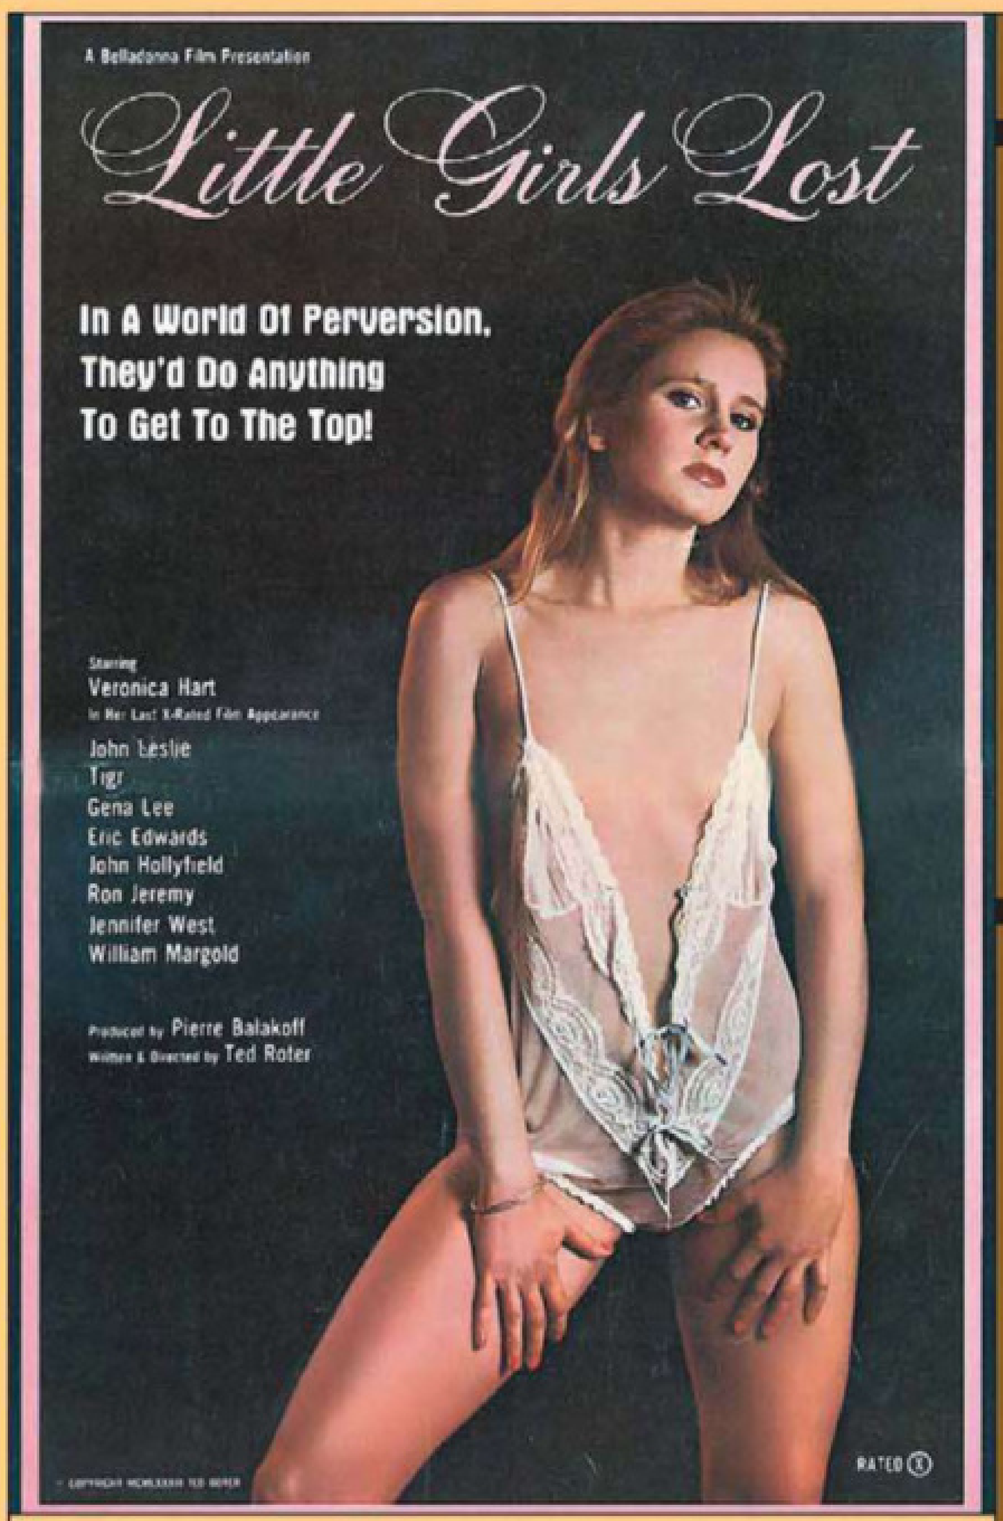
world of swinging couples. He brought me in to help him choose a few women to help heat up his film.

The first was a fragile-looking blonde named Vivi. She was as eager to work in the film, as her rather fearsome-looking biker/husband, Jack, was leery of the production. Yet, perhaps because both he and I had spent some time in Los Angeles's Central Juvenile Hall, Vivi and Jack trusted me implicitly. Indeed, we spent a great deal of time in my adult industry talent casting office at 6912 Hollywood Blvd. Jack even enjoyed watching me do a still photo shoot scene with Vivi downstairs for Sam Menning, when a couple of his own models failed to show up on a particularly cold and rainy afternoon in late December 1979. It was a relatively easy set-up that called for me to already be naked under the covers when a sheer nightgown clad Vivi entered our bedroom setting with a tray filled with assorted breakfast goodies. Needless to say, when Vivi whisked off my covers, what I had seen through her nightgown (tiny, perky breasts and a vaginal slit peeking through a thatch of inviting blonde fur), was quite evident in the fact that I was already erect. Sam—noting my penile interest in the proceedings—was delighted, and fully aware of my ability to provide two pop shots in a relatively short period of time—asked Vivi if she was up to, "Sucking him off first before you get fucked?" Before Vivi had a chance to reply, Jack quickly responded, "Sure, it will be good training for her." However, with that, the breakfast tray of goodies became an afterthought, and Vivi swooped down from under me. For her first time in front of the camera, Vivi instinctively knew where to position herself so that Sam didn't have to say very much as he clicked off still after still after still. Working me bigger and bigger with her tiny hands, she licked me from to a swollen rod, and already starting to ooze pre-cum head of my dick, all the way down to my bloating ball sac—then repeated the process over and over again before taking me deep into her oral cavity. This was one of those times when I got to simply lay back and enjoy the trip. Feeling my cock starting to throb in her throat, she daintily dropped one of her tiny hands down between my tensing thighs and began to flick at the back of my balls with her fingernails causing them to dance like overheated popcorn kernels. Removing her mouth from my cock, she pronounced to Sam, "He's ready to shoot." At that point, Sam sighted in on my dick as Vivi positioned my meat toward her face, and then very expertly brought me off until she began to resemble a glazed doughnut. Jack proceeded to applaud the moment, and then asked me: "How long will it take for you to be ready to screw her?" Although slightly shocked by the rather impassionate query, I managed to remember that they were swingers; so I responded: "As long as it takes Sam to reload his cameras."

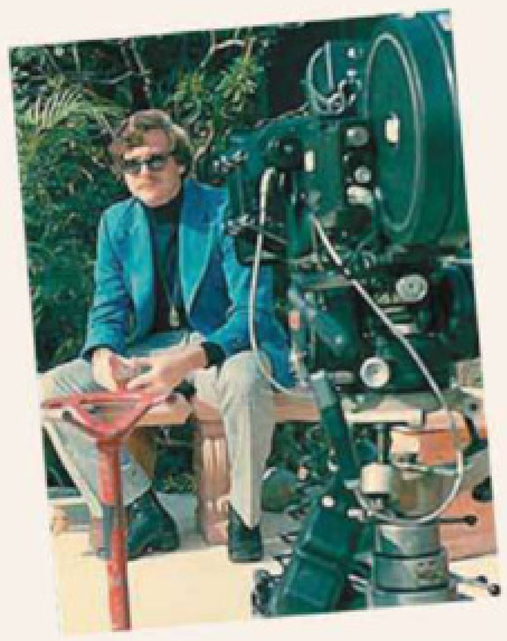
One of the first Russians in the blue biz, Anya worked me into a frenzy in *Ring Of Desire*



Little Girls Lost featured the late, great John Leslie (bottom)

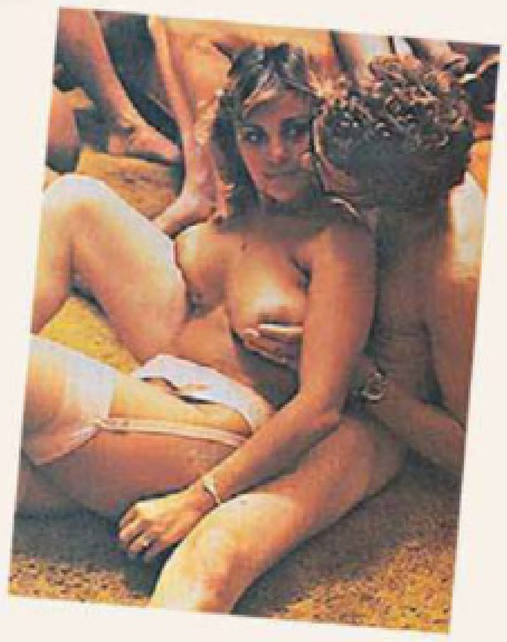
Vivi smiled at me, her face still glistening with my appreciation, and I—having created "The Margold Shot" earlier that year—causally proceeded to kiss her, and in the process, lick as much as my load off her face as I could. "That's cool," Jack said, while Vivi just continued to smile. Then she whispered to me, "I'm very small down there, so please take it easy." Eager to accommodate—and looking forward to going down on her anyway—once Sam said that he was ready, I eased her nightgown off, spread her long legs and orally administered to her until her was writhing into my mouth. Sensing the best angle for Sam to shoot first would be if we spooned toward the camera. So, I eased up behind her, lifted her left leg slightly and entered her to the hilt. With long-stroking until I could feel her vaginal walls undulating with a mind all their own, I quickly felt her first orgasm compliment my penetrating actions. After staging some reverse cowgirl during which she bounced up and down on me with gleeful abandon as another orgasm rattled through her—I placed her in the doggie position and skewered her repeatedly until she writhed through a third release. Finally, Sam announced that it was time for me to ejaculate. While I could feel Vivi trying futilely to keep me inside of her—and I heard her moan softly when I pulled out—I could also hear her sigh contentedly as she felt me spurting all over her arched backside. Of course, I paid homage to the moment by going down her and gobbling up my lust once again, which encouraged Jack to again utter, "That's cool!"

And so, with Vivi and Jack literally in the fold, Balakoff—on an unseasonably hot day in very early January—dispatched me to Orange County to pick-up a couple named Dawn and Dennis, and bring them back to his house in West Los Angeles for a meeting. Dawn was a big-boned brunette, with heavy, natural breasts and a luxuriantly furry sexual center. I was immediately attracted to her. I was even more aroused by the fact that she had prepared for the meeting by wearing a white sundress—under which was a complete wardrobe of lingerie including jet black nylons held in place with a hot pink garter belt. When she flourished her way into the front seat of my Volkswagen van, she did very little to hide the fact that besides the nylons and garter belt, her equally hot pink panties were doing a futile job of covering her bushy crotch. Dennis was a silent sort, who took advantage of my backseat by sprawling out and going to sleep. Meanwhile, up front, Dawn was noticing that I was having a really hard time keeping my eyes on the road as we sped north on the Santa Ana Freeway. I was transfixed by the fact that her dress was riding up higher and higher to the extent that the juncture of her pink-encased thighs was tantalizingly inching toward complete revelation. As I swerved the van onto the Santa Monica Freeway, heading west, Dawn calmly placed her left hand in my lap. Delighted to find a prominent bulge, she leaned over and whispered in my ear, "Because you were so nice to come get us…on the way home…I'll give you a special treat." And then she added, "Of course, I could do you now, but I prefer to let your pressure build up." Accentuating her sentiment, she then proceeded to skillfully trace her middle finger along the length of my bulge until she located the heavy head of my dick. She poked at it until she got the desired response that she was after as it jerked ever so slightly. She continued that torturous form of teasing, causing me to dangerously speed up each time that she did it, until we got to Balakoff's house. There were a few other people in attendance, and they were partaking of his pool when we arrived, and it didn't take long for Dawn and Dennis to strip down and join



them. Dawn looked over at me and appeared to be quite pleased when I stripped down and revealed to her the long—and slightly shiny-headed—result of her "handiwork." She swam over and eyed my balls. "Guess that I'll have to use my nylons, 'cause my panties might not be able to hold all of what you've got in there," she said, as she reached out to test the weight of my nuts. "Yeah," she added, "doubling-up my nylons should avoid a mess." Dawn was close enough now for me to reach out and bring my right hand up between her legs and slip a couple of my fingers into her vagina. Caught off-guard by my boldness, her appreciation of my balls was immediately replaced by her taking my hand and forcing as much of it as possible into her. Her balance in the pool was tenuous, so I slipped my other hand around her and held her steady. But, I couldn't resist letting a finger slip between her asscheeks and find her pouting asshole. She stiffened, and looked at me with a "You wouldn't dare" glare, and I watched with great amusement as her stare glazed over when my finger pushed into her darkness, and she became impaled at both ends of her sexual spectrum. It didn't take very long for me to get her off as she rose up, shuddered, and sagged down. I gently withdrew my twin probes. "Now I really owe you," she said, while she cupped my balls just to make sure that they were still primed for action. Then she turned and swam away like a demented dolphin, splaying her legs lewdly, so that I could see deep into the mystery of what I had just worked into a frenzy.

After Balakoff interviewed Dawn and Dennis, and welcomed them into the cast—it was time for me to drive them home. Again, Dennis sprawled out in the back seat and went to sleep. Meanwhile, I couldn't help noticing that Dawn wasn't wearing her jet-black nylons any longer. Indeed, the pink tabs of her garter belt now simply hung uselessly around her pink panties. As I headed the van east on the Santa Monica Freeway, Dawn wasted little time in working my pants down and began manipulating my meat. And by the time I was heading south on the Santa Ana Freeway toward Orange County—she had me exactly where she wanted me—aching-



ly on the edge of ejaculating but still able to hold off—because, as we both knew, there was "Pleasure in the building up of pressure." The fact that I was expelling a godly amount of pre-cum by this time, made it much easier for Dawn to stroke my cock to maximum rigidity. I hunched forward in the driver's seat to allow my ball sac to hang down, and I felt the insides of my thighs starting to quiver. "You're pretty close, aren't you?" Dawn whispered salaciously, as I watched her bring out her nylons—now placed inside of each other and fashioned like a glove—and drop them over the head of my meat. "This should feel good," she said, slipping the cool garment all the way down my overheated cock. "Don't try and hold back any longer," she continued, "Because this should feel even better," she concluded, as she took total control of the moment, and proceeded to jack me off into her jet-black nylons to the extent that the massiveness of my load began to turn them light grey. And she kept after me until I wilted in her hand. Satisfied with her efforts, she smiled, and pointing at the soggy nylons, said, "Wash them for me, and bring them to the set, and maybe we can have some more fun."

Dawn and Vivi both wound up appearing with me in the sequence where I played Sammy Marlaid in *The Master and Ms. Johnson*.

But none of what we did in the film even came close to what we had already done "Way behind the scenes."

Indeed, such were the mysterious ways that some things moved during a few off-camera adventures that were part of "Those Were The Lays."
